absence of a particular religious creed, were the 1825 founding principles of his New Harmony, Indiana, cooperative that lasted for only two years before economic failure.

Experiments with Utopia [ushistory.org]

Considered the first Utopian work, Plato's The Republic describes an ideal society in which conditions are as equal and preferable for all citizens as could be conceived. Plato's Republic outlined social and governmental structuring as well as legislative and resource allocation policies that would be necessary for the sustainability of his society.

Utopian Origins - The Utopian Impulse

Bourgeois Utopias: The Rise And Fall Of Suburbia They are a horribly false construct driven by conformity, false economic advantage, and expectations of material possessions that depress utkpias than reward their owners. Instead it has developed into bastardized versions of tiny cities not quaint towns.
