subjects. In general historical studies, such discourses can lead today's societies to a fuller understanding of human rights and compassionate ...

## **What Is Colonial Discourse? (with pictures)**

Postcolonialism is the critical academic study of the cultural legacy of colonialism and imperialism, focusing on the human consequences of the control and exploitation of colonized people and their lands. More specifically, it is a critical-theory analysis of the history, culture, literature, and discourse of (usually European) imperial power.

## **Postcolonialism - Wikipedia**

Given that colonial discourse was so important in justifying the whole enterprise of colonialism, it became a very important theme for postcolonial writers. One of the goals of postcolonial writers is to attack this colonial discourse and show it up for what it is: a load of bull.
