CIS 109_Post-Assessment - ITILPostAssessment 1.Q: A: 2.Q ...

An online management assessment test can be used to test everything from basic interpersonal skills to advanced leadership abilities. With a competency test designed to assess leadership and management skills, you can identify a manager's strengths and weaknesses, helping you (and them) make better decisions about which projects they should be in charge of.

Competency Assessment Test for Leaders | Management

...

"Completing a project" is not the same thing as ending the project management process. Simply finishing doesn't ensure that the organization benefits from the project's outcome. For example, after completing a year-long project to establish a new quality management process for your organization, you want to make sure that what you set out to do was actually achieved.
