The main sub-industries within and around technology, including technology vs. TMT investment banking. How deals, financial modeling, and valuation are different. What investor presentations, valuations, and Fairness Opinions look like. The top banks in the sector and exit opportunities.

Technology Investment Banking: Deals, Sectors, Valuations ...

The valuation of operating assets can be done using two different fundamental concepts: a liquidation value and a going concern value. Most of the analysis in investment banking and private equity contemplates valuing a business as a going concern, though liquidation valuation is used occasionally, especially when considering distressed companies.
