Morals and Markets: The Development of Life Insurance in ...

Markets and Morality. Wednesday, February 1, 1989. Peter J. Hill. Economics. In terms of sheer ability to provide goods and services, most people would agree that capitalism wins hands down when compared with alternative economic systems such as socialism. Even so, many critics of private property and markets prefer a more socialistic system or at least one that places more power in the hands of the government.

Buy *Morals and Markets: The Development of Life Insurance in the United States (Legacy Editions)* from Kogan.com. Life insurance-the promise of an insurer to pay a sum upon a person's death in exchange for a regular premium-is a bizarre enterprise. How can we monetize human life? Should we? What statistics do we use, what assumptions do we make, and what behavioral factors do we consider?
