Hi, I came across the Paul Mitchell developer and hair color. There are instructions that came with color tube but it was not very clear. So I am supposed to mix the equal amount of developer and hair dye and mix it up and apply to hair and wait a certain amount? If it's that easy then why people come to hairsalon to get it done? PS: my financial situation is not bring, I don't want to pay the ...

I've been using Joico and Paul Mitchell to dye my hair...most of the time is Red color. I'm quite satisfied with the results so far. I've never tried anything from Redken before, but then a lot of hair salon in Singapore is now using it. Since the price is much higher than Joico and Paul Mitchell, I start to think that Redken is really better than others.
