Our goal at TPWD is to find, document and track all of the 400+ rare plants in Texas. But we could use your help! Through this iNaturalist project, our main goal is to help you help us. Pictures are worth a thousand words; however, identifying certain species from photos can be impossible.

### Rare Plants of Texas - iNaturalist

For a complete listing of all the rare plants tracked by Texas Parks and Wildlife Dept., please see TPWD's Species of Greatest Conservation Need list for plants. This replaces the 2010 List of Rare Plants of Texas.

### Federal and State Listed Plants of Texas

Welcome to the Rare, Threatened, and Endangered Species of Texas by County \*\*\*This is a new version. You should see 'Last Update: ' in the next line. If you do not see this (after a Ctrl+F5 refresh), you may need to clear your cache in Chrome to see the updates.\*\*\*

### Rare, Threatened, and Endangered Species of Texas

The federal Endangered Species Act of 1973 provides protection for rare plants and animals. In 1974 the Rare Plant Study Center distributed its most comprehensive list of 500 plants considered to be rare in Texas. (Most plants on such lists are endemics, plants found only within a certain region.) Around this time the TOES began listing plants ...
