"The Beginnings" is a 1917 poem by the English writer Rudyard Kipling. The poem is about how the English people, although naturally peaceful, slowly become filled with a hate which will lead to the advent of a new epoch. The first four stanzas have four lines each with alternate rhymes, while the fifth (and final) stanza has five lines.

Traditionally told tales often start with a few words at the beginning that are designed to get listeners ready for a different kind of discourse: a long narrative that we don't suppose to be literally true, set in a kind of dreamtime that is apart from, but closely involved with, ordinary reality.

### **folktale openings, from Storytell**

"It feels as though the beginning and the end are intertwined, thus leading to a never-ending cycle. Surely this will not be the end. Just as it can't be considered the beginning. Just as it can't be determined where the beginning or the end is." — Eunjin Jang, No One Writes Back

### **Beginnings And Endings Quotes (67 quotes) - Goodreads**

The beginnings and endings are almost always tied together in some way. I'm still facing a lot of really difficult days at work and thinking about puppies and dogs in general is a lot more pleasant than thinking about things at work that I can't control. ... Tales of Days Past
