How to Replace the Timing Belt on a Renault Wind ...

Renault Laguna 1.9 DCI Timing Belt Change Replacement timing marks

Renault Laguna 1.9 DCI Timing Belt Change Replacement ...

as far as i can tell, it should have a belt. i have found various figures for how often you should change these belts and all are from renaul dealers..... most seem to say that the belt should be changed every 3 years or 60,000 miles and this is the figure that i would accept myself.

SOLVED: WHEN TO CHANGE TIMING BELT ON RENAULT SCENIC GRAND ...

Answered May 6, 2018. Depends upon the engine and the model of car but generic answer is 160000 km (around every 95k miles) for the timing belt and 30000 km (around 18k miles or every 2 years - whichever comes first) for engine oil .

What is the interval for the timing belt replacement in ...

Does the 0.9 Captur 2013 petrol has timing belt or chain? Two different garages told me 2 different things which made me totally puzzled as to which garage wants to rip me off.They said £300 for the cam belt and other garage said this car doesn't have the belt but chain only.Thanks Vee

Belt or timing chain | Renault Captur Forums

Timing belt replacement - it is in the service manual A general rule is that if your Renault is older than 5 years and/or has traveled between 120,000 and 160,000 kilometers, then it is time to have the timing belt checked and most likely replaced. As a rule, you can see from the car's service book when to change the timing belt.

These had the 1.9 turbo diesel engine and were belt driven. The later 2.0 dci 115 models are chain driven and do not require any kind of belt change. They also have a better and more reliable gearbox than the previous model. I know because I had one !! Now moving up to the 115dci model. Hope this helps, Sav

Cambelt change on Renault Trafic | ElectriciansForums.net

I have a Clio 1.4 16v and it's time to change the timing belt, I have 3 quotes ranging from £600 to £870. A hell of a lot of money for changing effectly a part worth £20ish. Ok I've come to accept that Renault insist that as well as the belt all the pulleys should be changed and also the water pump.
